#### Information about the service:

- Personal ADSL Broadband is a residential grade internet connection which shares your telephone line, allowing you to use your phone or fax while also on the internet
- Speeds of up to 24000/1000 are available, with peak data usage up to your specific plan data allocation and unlimited off peak data
- Excess usage will be shaped (slowed to 512kbps) after your limit has been reached. Any unused monthly allowance expires at the end of the billing cycle (per calendar month)
- This product is not required to be bundled with any other Loadednet product, but discounts are available on bundling with your phone service
- A single email mailbox and a static IP address are included with your service

#### The minimum term is:

There are no minimum terms and no contracts, but an early disconnection fee of \$85.00 (incl GST) applies if you disconnect your service within 6 months of the connection date

#### The offer includes:

- Specified data per month (see table below) within peak periods
- Unlimited off peak data (11pm – 7am)
- Free local home set up (call out fees may apply for additional work, eg networking)

#### The offer excludes:

- Modem (if required)
- Connection fees (all including GST) which could be: Churn \$45.00 or New Connection \$110.00, unless waived

#### Important conditions of the offer:

- Modem fee (if required) and relevant connection fee will be on your first invoice
- All access fees are billed one month in advance – your first invoice will be pro-rated to include service commencement date and service up to one month in advance of the current month of billing
- All invoices will be emailed unless you request them to be sent by mail
- 30 days written notice (email, fax or letter) is required from you for disconnection
- A \$15.00 (incl GST) late payment fee may apply if an invoice is not paid by the due date
- A 1.5% (incl GST) credit card surcharge applies for all credit card payments
- A \$29 reconnection fee applies if the service is suspended for non-payment
- Call out fees may apply for customer faults where the fault is deemed to be customers own
- All speeds quoted are maximum theoretical speeds. Loadednet cannot guarantee that the maximum speeds stated will be attainable in all cases
